STATE ACTION REQUIREMENT

The scope of Plaintiff ' s targeting and technology points to the Feds - Not a stalker or foreign espionage, like DHS Fusion Centers, FBI Task Force. Directed energy the Plaintiff alleges occurs in different states, cities, overseas in Italy visiting my Dad where there are FBI legats. News reports state FBI has investigative group into UAP. Plaintiff ' s targeting coincides with free speech activities like UFO ' s. The research arm of the Justice Department - The National Institute of Justice tested the Assualt Intervention Device on prisoners in LA County that used Active Denial Technology (ADT). The Pentagon calls the use of Active Denial like in urban warfare scenarios Directed Energy Intermediate Force Capabilities (DE IFC). Plaintiff describes other types of intermediate force like irritants placed in clothes, car. There is a surveillance component like laptop, smart phone getting hot, revving up, with battery quickly draining and interference with video recording on laptop when trying to gather evidence. Plaintiff ' s Dad also described in E-Mails interference with iPad, E-Mail when communicating ideas about UFO propulsion to son. A declassified FBI document mentions tagging, tracking, locating (TTL, HTTL). Plaintiff gets the impression of being terrorist watch-listed during police stops like cops see his name on the TSDB that involved the FBI. Government would have the technology, means, motive to do what the Plaintiff is alleging on a national scale. Government uses neo-liberal contractors into targeting, tracking capabilities like Palantir, CACI. The relates to the US Intelligence Industry (IC) and Federal government.
